Handmade in Greece

According to the ancient philosopher Plato, the soul associates with ideas. In order for man to reach the world of ideas, the soul must be liberated from the senses.

Inspired by the soul as a reference of desires and passions, we created a collection, combining with mood and momentum the style and the taste.

KYLIX

Inspired by ancient Greece and
the colors of the amphorae,
we have merged the present
with the past, aiming to the
nostalgia of another era
adapted to the present.
