Our DNA

Dolce Vita at your table !

Created in 2020, Molleni is a tableware brand for lovers of Italy and the Mediterranean region.

Our exclusive ceramic collections, imagined and designed in France, are inspired by Italy's colourful style. The secret of a beautiful mediterranean table? Mixing shapes, patterns and colours to create generous tables, just like in Italy !

Each of our ceramic items is crafted and handpainted by local Italian artisans with whom we have been working since the company was launched.

Manufacturing

Each item in our collections is crafted and hand painted by Italian artisans in our partner workshops, in Tuscany, Umbria and on the Amalfi Coast.

Our artisans both work with white clay and red clay. Each item is handpainted, wich brings a unique character and authenticity to our collections !

Please note that we generally produce on demand; manufacturing can take between 6 and 12 weeks depending on the collection. We also propose a small and immediately available stock for urgent requests.

Where to find us ?

In France, you can find us in many towns !

If you go to Paris, come visit us at **BHV Marais** or **Galeries Lafayette Maison** (boulevard Haussman).
